Mr. Harold Weisburg
Hyattstown
Maryland

Dear Mr. Weisburg:

I am preparing an article for The American Book Collector on the literature related to the Kennedy assassination. I have three of your publications, but someone has just mentioned a title which is unfamiliar to me, namely, "Photographic Whitewash." If you did publish such a book, I would appreciate receiving a copy so reference can be made to it.

Sincerely,

Thomas McDade

Even if not published - would like to know that.
